

ROOSTER

Woof! Woof!

*Rooster is sniffing around like crazy.
His nose is leading him out of the lighthouse.*

ANNIE

I think he's trying to tell us something. I think he wants us to follow.

DEVON

Really?

ANNIE

Definitely.

*Annie and Devon follow Rooster outside.
Rooster is getting excited, his tail is wagging
and he continues to bark at them to follow.*

SCENE 21: AT THE SHIPWRECK

Stevie and the old man are standing on some rocks, looking out at the sea. It's become apparent to Stevie and the audience that the old man's voice is Old Salt, otherwise known as Mr. Moresby, Charlotte's grandfather.

OLD SALT

Now son, if you just follow me a little further I promise to show you a sight you won't soon forget.

STEVIE

Okay, just a little bit further. I do love an adventure! But I sure wish Rooster were here to see it with me.

*Stevie and Old Salt come round a point on the beach
where they come face to face with the remains of the cargo ship.
Half of the ship has been washed away.
The other half sits wrecked and perched on the rocky shore.*

STEVIE

Oh my G...!

Stevie stands stunned with his jaw dropped and eyes wide open.

OLD SALT

'Tis the "Marita Louise." She's a beauty of an ol' ship. If only the beacon had guided her to safe passage. Now she sits in ruin on these rocks. And not a soul knows that it is here that she lies.

STEVIE

I've always wanted to see a real life shipwreck! Is there treasure on board?

OLD SALT

As far as I know, no one has ventured to try and find out. But knowing these ships and their precious cargo it could very well be that there might be a prize hidden amongst this old wreck.

SCENE 22: ROOSTER, ANNIE AND Devon COME RUNNING

ANNIE

Where are you taking us Rooster?

DEVON

That lighthouse is sure eerie! I hope Stevie isn't too far. Where are we going?

Devon and Annie are running at top speed to catch up with Rooster who is sprinting down the beach.

ANNIE

We don't have time for that right now Devon. Hey look. Devon look!! There's Rooster and Charlotte's grandpa standing out there on the rocks.

ROOSTER

Woof! Woof!

ANNIE

Steve! Stevie! Are you okay? What are you doing here?

DEVON

Holy smokes! Take a look at that shipwreck.

The scooter shop owner smiles. The Mayor bursts in through the door.*

SCENE 24 - FINAL SCENE

Annie runs up to Stevie and throws her arms around him.

ANNIE

Stevie! We found you. Are you okay? I'm so sorry that I let you out of my sight. I should have done a better job of looking out for you. What happened? How did you end up here? I was looking for you everywhere. I'll never leave you off my team again. Will you forgive me?

Rooster is wagging his tail and licking Stevie all over.

STEVIE

I'm okay, I'm fine. This old man led me to this shipwreck! It's so cool isn't it

Meanwhile Devon has taken out his camera and is snapping pictures.

DEVON

The light is beautiful here! It's perfect for taking pictures!

OLD SALT

It's not just the light that's golden. There's a legend that there's treasure somewhere in this here shipwreck.

Annie, Devon, Stevie and Rooster look at each other, at the shipwreck and back at each other.

ANNIE

Are you thinking what I'm thinking?

DEVON AND STEVIE AND ANNIE

Time for another scavenger hunt!

THE END!
