

Just then, Charlotte and her mom and Kim walk to the lighthouse

Kim sees Annie.

KIM

What are you doing here? I thought you were winning the scavenger hunt.

ANNIE

She sounds apologetic

I am looking for Stevie, Rooster brought us here and I think he is lost as well. I'm so sorry Charlotte, I know it seemed like I didn't care about your grandpa.

CHARLOTTE

That's okay, Annie.

ANNIE

Why are you here?

MOM

We followed the path through the mud, and it led us here. It also makes sense since grandpa used to work at a lighthouse. This looks a place he will want to be in, I will go look outside.

Mom leaves the stage

They all hear a faint sound from the inner section of the lighthouse.

ANNIE

Did y-you hear t-that? *Sounding frightened*

DEVON

it's coming from that door on the other side.

He points to the darker side of the lighthouse

CHARLOTTE

Quick let's hurry! Someone might be there!

They run to the sound. Devon peeks in.

DEVON

Pointing to the floor

Look, that looks like mud!!

They all look at the floor

CHARLOTTE

It might be grandpa's tracks!

ANNIE

Or Stevie!

Just then they hear a loud noise from the door that sounds like someone who may be screaming.

Devon, Kim Charlotte and Annie quickly opened the door and pushed themselves inside the door

SCENE 21: INSIDE THE SCARY DOOR

Old salty guy is sitting across from Stevie who is wrapped in his jacket. He has a lantern on and Stevie is laughing very loudly to his stories

Devon Kim and Charlotte and Annie are on the other end of the room

Charlotte sees a familiar dark and salty figure.

ANNIE

Stevie.? as she runs towards the light

CHARLOTTE
Grandpa?

ROOSTER

woof woof.... Master?

They all run towards the lantern

CHARLOTTE

grandpa!!
She whispers
I missed you!

GRANDPA

I missed you too, sweetie.
He is smiling at them,
I've had the most interesting day today dear.

Meanwhile Annie sees Stevie.

ANNIE

You're here!
She goes to hug him

STEVIE

Annie!!!
He hugs her and rooster

ANNIE

I was so worried about you, are you hurt? I'm so sorry

STEVIE

I am ok Annie, I was hurt a little but Mr old salt helped me out, he had some tricks to help me feel better and told me a lot of stories too.

DEVON

Hey, that's the old salty guy I saw in the woods earlier.

CHARLOTTE

That's my sweet sweet grandpa

she says while smiling and hugging him.

Come on grandpa, mom is waiting outside and she is so worried about you.

OLD SALT GUY

ok sweetie,

she helps him as they leave to go outside

ROOSTER

woof woof.... Master, you are ok?

STEVIE

Yes, I am, Rooster, you got help, you are such a good boy. Thank you.

He gives rooster a big rub

They get up and all leave the light house

SCENE 22: outside the lighthouse in the woods

Stage is set outside the woods where Annie threw the clues on the floor.

ANNIE

looking at the floor

the clues, it's all gone, we lost.

DEVON

picking up the last paper from behind a stick

look, Annie, I found the last clue.

ANNIE

Yes we can still win this race

Charlotte, KIM and Devon all look at her

ANNIE

We should all go together as a team, we can still win and this time together.

CHARLOTTE

smiling

let's hurry then !

KIM

giving Annie a hug
that's my friend I know.

They all study the clue again together.

DEVON

I think this means we should go to the mayor's office

ANNIE

Why there?
She looks confused

KIM

I get it, the office is like a store, we all love to go there and hang out in the garden right beside the windows that have all those old pictures like a museum.

ANNIE

Yes, we could spend a whole day there and there is that picture of "the parade on main street" there as well.

CHARLOTTE

let's go then, back to the mayor's office

Annie, Devon, Stevie with Rooster go to the mayor.
Charlotte and Kim followed.

SCENE 23: the stage is set like the mayor's office

Annie starts running faster and faster. She gets to the mayor's office and Devon is right behind her.

ANNIE

The final clue. Did we win?

MAYOR

You both are the first to arrive here so yes Annie you have won the scavenger hunt, you figured it out.

ANNIE

turning to the others.
We did it

MAYOR

Congratulations Annie and Devon, you have won 500 dollars.
Annie jumps for joy then turns to Charlotte and KIM.

ANNIE

we all won, we did it guys

Everyone cheers.

They hi-five and cheer. Stevie and Devon stand on the podium and cheer too.

Right across the stage from the scooter store Bob and Bob 1 are waiting.

BOB

talking to bob 1

I'm hungry, there is nobody here to give us the prize. I think I will just go home. I'm tired

BOB 1

Me too, this was a very weird scavenger hunt.

Let's go home Bob.

They both leave the stage

THE END
