[SCENE 20 continued]

Annie, Rooster and Devon are still looking for Stevie....

ANNIE

I'm going to jump in and look for him

DEVON

Are you sure about this?

ANNIE

He is my brother.

DEVON

Ok, go.

ANNIE

Hey guys, check this out!

(Devon and Rooster jump in)

DEVON

Is that a tunnel?

ANNIE

Hey...Yeah it is! (pause) ... Stevie? Hello?

STEVIE

Annie!

ANNIE

Wow, are you all right?

STEVIE

I'm fine, Annie.

ROOSTER

Woof! Woof!

DEVON

Ok guys, let's go finish the scavenger hunt.

SCENE 21: Who's there? – Jerry's Scooter Shop

Misadventure at the Lighthouse Play Ending by Alessia, Age 7 - BPL

The two Bobs are staring in the window of Jerry's Scooter Shop. But no one is there.

BOB 1

Hello? Jerry?

BOB 2

I don't think he's there.

BOB 1

How do you know that? We haven't gone inside yet.

BOB 2

We can't go inside, it's closed. And I tried opening the door, it's locked.

(Bob 1 goes to try and open the door, but it's locked.)

BOB 1

Yeah, it's locked.

BOB 2

HA! HA! I totally knew you were going to do that! You don't believe me much.

(Bob 1 and Bob 2 exit to the shore)

SCENE 22: Let's find Charlotte's Grandpa

(Charlotte sees a figure in the distance)

CHARLOTTE

Is that a person?

CHARLOTTE'S MOM (to Charlotte)

Is that your grandpa?

CONSTABLE

That's definitely a person, but we don't know who it is.

CHARLOTTE

Yes we do.

CHARLOTTE'S MOM (to Charlotte)

It is your grandpa!

CONSTABLE

Misadventure at the Lighthouse Play Ending by Alessia, Age 7 - BPL

Are you sure?

MR. MORESBY

Looks like she's going to kick up a big storm tonight!

CHARLOTTE'S MOM

I can't believe it's you!

(Constable stands in awe, and Kim stays quiet)

CHARLOTTE (to her grandpa)

I shouldn't have left you at the end of the driveway. How did you get all the way here?

MR. MORESBY

All of a sudden, I couldn't control myself, and I found myself walking all the way over here!

CHARLOTTE'S MOM

Are you OK?

MR. MORESEBY

I'm fine. How are you, Charlotte?

CHARLOTTE

I'm fine now.

SCENE 23- Scavenger Hunt ends with a surprise

(Devon, Rooster, Annie and Stevie are going back to the Island Park)

ANNIE

Maybe the last clue is back where we started!

DEVON

I'm not sure Annie, but I guess we can try.

STEVIE

Thanks for helping me out there, Annie.

ANNIE

No problemo! You're my brother. Just next year, can you form your own team and not follow me around?

STEVIE

Sure. It's just that I like hanging out with my sister.

ANNIE

Ok, how 'bout the year after?

(All laugh)

(Charlotte, Kim, Charlotte's mom and Mr. Moresby all show up at the park too)

KIM

Hey guys? We haven't checked the Island Park for clues, how about we look there for the last clue?

CHARLOTTE

Ok, let's go!

(All follow Kim and Charlotte, and both groups meet up with each other)

ANNIE

I think I see a sparkling light!

(Everyone looks to where Annie is pointing)

CHARLOTTE

It almost looks like a huge diamond!

(the group go over to the diamond looking box)

KIM

It looks like a treasure chest...

CHARLOTTE

But there's a lock!

KIM

How ever can we open it?

MAYOR

With a key of course! *(Holding a key)*

(Rooster jumps)

MAYOR

Sorry to scare you.

(Annie grabs the key and unlocks the box)

STEVIE

It's the very final clue! *(he says in relief)*

Misadventure at the Lighthouse Play Ending by Alessia, Age 7 - BPL

ANNIE

It says: *(Reading)*

You have found what you seek, and now you understand
The power of friendship, in holding someone's hand!

MAYOR

All of you have won with the power of friendship like the clue says. Now here is your prize. *(He hands over the \$500 bill to them all)*

ANNIE

How are we going to split that between us all?

MAYOR

I'll get some more, just let me go to the bank quickly.

SCENE 24 – Two Bobs return

BOB 1

I hear a big commotion back at the Island Park

BOB 2

All right, then let's hurry! Someone might have won, or is getting close to winning!

(The two Bobs head back to the park)

Bob 1

Someone has won, I told you!

Bob 2

No! I told you!

(All of a sudden, Fireworks explode)

ANNIE

Sometimes winning involves helping and friendship...

STEVIE

(Interrupting Annie) ... and brothers!

ANNIE

Oh, Brother!
