

The Misadventure of The Lighthouse Ending  
Written By Devikha (Age 11) Surrey Libraries

Scene 21 Where is Stevie?

Annie

Rooster, did he get hurt?

Rooster

Bark!

Rooster nods  
his head

Devon

Maybe Stevie felt better and he left.

Annie

No. Stevie would never do that. This is all my fault!

A few tears run down  
Annie's face.

Annie

If only I told him he could team up with me then he would've been okay.

Charlotte

Devon, Annie did you find Stevie?

Charlotte calls from outside the lighthouse  
standing next to Kim.

Devon

No. Not yet.

Annie

It was all my fault Devon! It was all my fault!

Kim and Charlotte overhear.

Kim

Annie it is not your fault. We will look for him together. Then we will look for Charlotte's grandpa.

Kim and Charlotte enter the lighthouse. Annie has stopped crying.

Kim

Hey Annie I'm sorry that I didn't team up with you. We planned it for weeks.

Annie

I'm also sorry. I get so bossy when it comes to scavenger hunts. I don't even let you hold a single clue.

Kim and Annie hug.

Devon

Okay Annie let's find your brother.

Charlotte

Then my grandpa. Annie we'll find him I promise!

Rooster

Bark!

## Scene 22 On the Wrong Path

Bob 1

So we need to go to Jerry's scooter shop?

Bob 2

Yeah!

Bob 2

But remember Bob you can't look up from the ground.

Bob 1

But It's your turn.

Bob 2

No!

Bob 1

Yes it is!

Bob 1

How about we both look at the ground.

Bob 2

That seems fair.

They walk for a little bit when Bob 2  
looks up from the ground.

Bob 2

Where are we?

Bob 1 looks up.

Bob 1

I don't know. We're in the forest!

## Scene 23 On the Right Trail

Devon

Okay. Kim, Annie you know your way around here so where could Stevie have gotten out?

Charlotte

Well he might have just gotten out through the entrance. If I was him I would get out using the easiest exit.

Annie

No, because we would have seen him.

Devon

He couldn't have traveled far because he was injured.

Kim

I think I know another exit.

Everyone followed Kim as she led them to the exit she was thinking of.

Kim

Right here Stevie could have exited.

Kim pointed to a hole in the wall.

Charlotte

The thing is Kim, would Stevie find something like this?

Kim

I mean it isn't really hidden.

Rooster

Woof! Bark! Woof! Woof!

Annie

I think Rooster has Stevie's scent! Let's follow him!

Everyone chases after Rooster.

Devon

Rooster stopped here.

Charlotte

What's this?

Annie

That's the hat Stevie was wearing.

Kim

It probably just fell off.

Annie picked up the hat.

Devon

I think we're on the right trail.

## Scene 23 Haunted Lighthouse

Bob 2

I think I know where we are. We're near that creepy haunted lighthouse. Every time I go there I hear the ghosts screaming and wolves howling.

Bob 1

Ghosts aren't real, wolves are but they are not in the lighthouse.

The bushes rustle.

Bob 2

Did you just hear that?

Bob 1

I did.

A breeze shakes the trees  
and causes Bob 1 and Bob 2  
to shiver.

Bob 1

Maybe ghosts are real.

They shiver again.

Bob 2

Let's get out of here!

They run screaming out of  
the woods.

Bob 1

We're safe here.

## Scene 26 Stevie's Found

Charlotte

Look! Rooster is running off again. Maybe he smells Stevie!

Rooster leads them outside  
the bakery.

Annie

Look, there are the Bobs.

Kim

They are the only team that I know will not win.

Devon

Annie I think your brother is in the bakery.

All of them enter the  
bakery.

Annie

Stevie! I was so worried about you!

Rooster jumps on Stevie's lap. Kim, Annie, Charlotte and Devon go talk to the baker.

Baker

The Bobs won the scavenger hunt.

Kim

Really? They won.

Charlotte

I guess we were wrong about them.

Stevie

Rooster. I missed you so much!

Rooster

I missed you too!

Devon

So Stevie what happened?

Stevie

Well the clue Rooster and I found told us to go to the lighthouse. The stairs were old and rusty so I fell through them and hurt my ankle. Rooster went to call for help when this creepy old guy came in and was telling this scary story. I heard screaming then I saw a ghost and it looked like the ghost of the person the old guy was describing in the story. I was scared to death so I got out and ran. I ran here to the bakery.

Kim

We're glad you are okay.

Annie

Stevie, I have your hat.

Annie gives Stevie his hat.

Stevie

It fell off when I was running. Thanks Annie.

Charlotte

My grandpa has been gone for so long. I hope he's okay.

Devon

We're going to find him just like we found Stevie.

**Scene 27 The Bobs Won!!**

Bob 1

Hey Bob look over there.

Bob 2

Look where? I don't see it.

Bob 1

Look at Jerry's Scooter shop. There's something on the doorstep. I can't tell what it is.

Bob 2

Oh. I can see now. We need to get closer to see what it is.

They cross the street and are  
outside Jerry's scooter shop.

Bob 2

It's money. A lot of money.

Bob 1 picks up a note next to the  
money and reads it aloud.

Bob 1

Congratulations! You have won this year's scavenger hunt. As your prize you may take the \$500.

Bob 2

We won!

## Scene 28 Charlotte's Grandpa

Kim

I think we should go to Annie's house, where you dropped your grandpa off then we can start looking for him there.

Says to Charlotte.

They all agreed so they went to Annie's house.

Annie

So Charlotte, where is the most reasonable place we should look for your grandfather?

Devon

It's starting to rain, we need to find him fast.

Charlotte

We should look at indoor places since it is raining.

Annie

How about the pizza shop we were in earlier. Could he be there?

Charlotte

I guess we could look there.

They walk over to the pizza shop.  
Kim looks in the window

Kim

I don't see him.

Devon

Maybe he's somewhere else. We should check the lighthouse.

They go to the  
lighthouse.

Annie

Would he be inside or outside the lighthouse.

Kim

We should split up. Annie and I will look inside, Charlotte and Devon will look outside.

Kim and Annie search every corner in the lighthouse. Charlotte's grandpa is out of sight.

Devon

We found him!

Charlotte

Grandpa! I missed you so much!

Kim and Annie bolt outside. Charlotte is hugging her grandpa.

Charlotte

What happened, I dropped you off at your appointment.

Charlotte's grandpa

It's not your fault. Before every appointment I always call her, She told me that she wasn't home and we needed to reschedule. So I went on a walk. That's all. I was gone for a while because I got lost. How did your scavenger hunt go?

Kim

We didn't win. But that's okay because we will next year.

Annie

Yeah and we will have a team of 4. We will be unstoppable!
